Mayor & Board of Aldermen(Women):

Please accept the following as the **Town Manager's Weekly Report** for the Week-ended Friday, May 23, 2014.

- Earlier this week we received the North Carolina Department of Environment and Natural Resources (NCDENR) soil erosion and sedimentation control permit for the Jagers Park improvement project, which was the last approval needed prior to proceeding with bidding the project work out. As such, our design consultants, Site Solutions have moved to advertising and soliciting bids for the project, which we hope to award at the July Board Meeting.
- Tuesday, May 27th is the Board Work Session for the Month of May and will begin at 5:00 p.m. at the Fire Hall community Room where we will convene to formally approve the Agenda and open the session. From there we will travel to the Public Works/Utilities Warehouse and Yard to tour the Facilities and discuss future needs and plans therefore. The Work Session Agenda is attached herewith – we will not be delivering any packet, since there are no additional supporting materials beyond the Agenda.
- Tomorrow (Saturday May 24, 2014) is the annual Memorial Day Car Show and Sons of Confederate Veterans memorial service in the Town Square. There will also be music and inflatable “bounce-houses” for the kids. The Car Show is scheduled to begin at 10:00 a.m. and continue through 3:00 p.m. The memorial service is to commence at 2:00 p.m.
- Town Offices are officially closed on Monday, May 26, 2014 in observance of the Memorial Day Holiday. My wishes go out to all to have an enjoyable and safe Holiday Weekend.

Thank You,

James M. (Jim) Palenick
