FALSE ALARM FEES

Fees for public safety responses to false alarms are calculated on a six-month basis. If the fire or police department responds to a property more than three times in any six-month period, and the cause of the response was due to a faulty or non-maintained alarm system, a fee for the additional responses will be charged against the property. No fee will be charged for the first three responses in any six-month period. After the second response, the offender will be given a written notice of the violation and the fees assessed if a fourth false alarm happens within that six-month period. The following fees will be assessed for subsequent responses within that period.

	<u>Business</u>	<u>Residential</u>
Fourth Response	\$50.00	\$50.00
Fifth Response	\$100.00	\$75.00
Sixth Response	\$200.00	\$100.00
Seventh Response	\$400.00	\$150.00
Eighth and Subsequent Responses	\$800.00	\$200.00
