

Street/Solid Waste Equipment Operator

The Town of Dallas is currently accepting applications for the position of Street/Solid Waste Equipment Operator. This position performs responsible work in operating a 1-Arm Trash Truck; collecting and disposing of garbage, junk, and brush; and in mowing and trimming Town properties and rights of way. Employee will ride and walk extensively over established routes to collect refuse by rolling cans and lifting bags and small piles of yard debris into truck. In addition to street and solid waste duties, the employee will assist other public works crews with event staging and other tasks as needed. Work requires exposure to extreme hot and cold weather, noise, vibration, moving mechanical parts, atmospheric conditions, oils, skin irritants, and narrow passageways.

Applicant must be able to perform heavy work exerting up to 100 pounds of force occasionally, and/or up to 50 pounds of force frequently, and/or up to 20 pounds of force constantly to move objects.

Applicant will participate in a rotating on-call for emergency call-back and must be able to obtain certification to work with and supervise inmate labor.

The position requires graduation from an accredited high school or GED program. Class B Commercial Driver's License must be obtained within probationary period. Possession of a valid NC Pesticide's License is desired.

Hiring range for this position is \$35,545-39,526 annually, with an additional 5% increase after completing probation, DOQ. Applications and job descriptions may be obtained at the Town of Dallas Administrative Offices located at 210 N. Holland St., Dallas, NC 28034 or from the Town's website www.dallasnc.net. All applications should be sent to 210 N. Holland St., Dallas, NC 28034 or emailed to jobs@dallasnc.net. Open until filled. EOE
